RESEARCH REGULATIONS FOR M.Phil. & Ph.D. PROGRAMMES

Research programmes leading to award of M.Phil. and Ph.D. degrees are offered in the teaching departments/centres of the University colleges, its affiliated colleges and research organizations recognized by the University as the research centres. These regulations will come into force from the 2018-19 research admissions.

1. Departmental Research Committee (DRC)

1.1 Formation of DRC

Every academic department must have a Departmental Research Committee (DRC). The term of the Departmental Research Committee is for a period of three years or is coterminous with Chairperson, Board of Studies whichever is earlier.

The composition of the Committee is as follows: 3 Professors, 2 Associate Professors, 2 Assistant Professors, Head of the Department and Chairman, Board of Studies. One extra person may be included from any National/International R&D organizations. All members must have doctoral degrees.

The Head of the Department is the Convener of the Committee. The Chairman, Board of Studies is the Chairman of the Committee. If there are no adequate number of Faculty in any cadre in the Department, those places may be filled in by the Faculty of other cadres.

1.2 Functions of DRC

The functions of the Departmental Research Committee are :

1. To fix up the number of seats in M.Phil./Ph.D. to be filled up every year for research admissions (the strength of the candidates with a guide at any time shall not exceed the number given in Research Regulations).
2. To approve the Academic Calendar for M.Phil./Ph.D. programmes for the academic year.
3. To decide areas or topics of research to be pursued by the M.Phil./Ph.D. students for that academic year at the time of admission.
4. To recommend syllabi for M.Phil./Pre-Ph.D. course work for approval by BoS.
5. To suggest panel of examiners and paper setters for M.Phil./Pre-Ph.D. examinations to the BoS.
6. To prepare Database of experts for each specialized area which can be used for the preparation of panel of examiners for adjudicating the M.Phil./Ph.D./D.Litt./D.Sc. dissertations / thesis. The database may be periodically updated and made available to BoS.
7. To evaluate the progress in the research work of the scholars.

8. To participate in all the Viva-Voce examinations and seminars of the M.Phil./Pre.Ph.D./Ph.D. programmes.
9. Any other functions referred to by the Convener, Board of Research Studies or the Vice-Chancellor.
10. Departmental Research Committee of the concerned department in the University campus shall process the submission of dissertation, etc for the scholars working in all the Research Centers both in the University Colleges and affiliated colleges, and departments without BOS. For all the admitted candidates into M.Phil./Ph.D. (Full-Time/Part-Time), the DRC shall assign a guide as per the UGC/ University norms. The DRC shall follow the guidelines prescribed by the University from time to time.
11. All special cases which do not fall under the above categories shall be discussed at the Academic Senate for final recommendations.

2. Eligibility criteria to be a Research Supervisor and Co- Supervisor

- a) Any regular Professor/Associate Professor of the University with at least five research publications in refereed journals having science citation index/journals having impact factor given by Thomson Reuters/UGC listed journals and any regular Assistant Professor of the university with a Ph.D. degree and at least two research publications in refereed journals having science citation index/journals having impact factor given by Thomson Reuters/UGC listed journals and one year regular service in the University may be recognized as Research Supervisor.
- b) Only a full time regular teacher of the concerned University can act as a supervisor. The external supervisors are not allowed. However, Co-Supervisor can be allowed in inter-disciplinary areas from other departments of the same institute or from other related institutions with the approval of the Research Advisory Committee.
- c) Any permanent teacher, having put in two years of service after obtaining Ph.D. and possessing two publications as mentioned above, working in a P.G. Department of an affiliated college and recruited through a duly constituted selection committee is eligible to be recognized as a Research Guide on application.
- d) Any scientist or researcher working as a regular employee in an Institute / Research Centre recognized by University as a Research Centre having put up two years of service after obtaining Ph. D degree is eligible to be considered as research guide in given Department if he/she has publications as mentioned in (a) above.
- e) The DRC of the relevant Department processes the application for recognition as research guide and forward it to the Principal of the concerned University College. The Principal shall give necessary orders for recognition based on the recommendation of DRC and approval of Vice-Chancellor.

- f) Faculty on lien/deputation shall include an eligible teacher from their departments as co-guide for every research student working under their guidance. Further, in case the teacher extends his lien period beyond one year, the co-guide shall be nominated as the Principal guide and in case the teacher on-lien wishes to continue to guide the candidate he can do so as co-guide for a maximum of two/three years from the date of sanction of initial lien.
- g) The Faculty and Scientists from Institutions recognized as Research Institutions, interested to guide the research scholars registered for Ph.D. in University under part-time category may be permitted to be included as co-guide(s), while a teacher from the University will act as the guide.
- h) A retired teacher may act as Research Guide for full-time, if he/she is appointed as Emeritus Professor and or if he/she has a Major Research Project with Junior Research Fellowship/Senior Research Fellowship. That faculty having Emeritus position or a Research Project beyond their retirement can act as guides for two years.
- i) Any retired teacher will continue to guide his/her already registered Ph.D. candidates for two years and should include a co-guide for each of his/her research scholar soon after his/her retirement.
- j) Faculty who resigned/retired voluntarily from service shall include an eligible teacher from their departments as co-guide for every research student working under their guidance. However, their guideship will be terminated in two years from the date of resignation/voluntary retirement, while the co-guide will become the Principal Guide.
- k) Under the condition when a co-guide was not appointed in time, Rs.10,000/- penalty fee should be paid by the candidate at the time of submission of his/her thesis, if there is no eligible Professor to act as co-guide from the concerned department.
- l) Notwithstanding anything stated above, recognition may be bestowed on persons with exceptional merit by the Vice Chancellor.

3. Research Centres

3.1 Research Laboratories as Research Centres

Research laboratories of Government of India/State Government located in the State/R&D Centres of Public Sector Undertakings/Private R&D Centres of Industries with a turnover of not less than Rs.500 crores with at least two eligible Research Supervisors in the Department concerned along with required infrastructure, supporting administrative and research promotion facilities as per UGC Regulations shall be considered eligible to be recognized as Research Centres.

3.2 Affiliated Colleges as Research Centres

Colleges may be considered eligible to offer M.Phil./Ph .D programmes only if they satisfy the availability of eligible Research Supervisors, required infrastructure and supporting administrative and research promotion facilities as mentioned below -

- a) In case of science and technology disciplines, exclusive research laboratories with sophisticated equipment as specified by the Institution concerned with provision for adequate space per research scholar along with computer facilities and essential software, and uninterrupted power and water supply
- b) Earmarked library resources including latest books, Indian and International journals, e-journals, extended working hours for all disciplines, adequate space for research scholars in the Department/ library for reading, writing and storing study and research materials
- c) Colleges may also access the required facilities of the neighbouring Institutions/Colleges, or of those Institutions/Colleges/R&D laboratories/ Organizations which have the required facilities.
- d) The P.G. Course in Science /Arts and Commerce/ Engineering/Pharmacy must be in existence for at least five years
- e) Necessary amount per course as prescribed by the university should be invested for procurement of latest journals and books.
- f) An amount per course prescribed by the University should be invested to upgrade the Laboratory facilities for the courses.
- g) At least two regular eligible faculty members should be available for recognition as research guides in each subject who should be associated with the P.G. course.
- h) A minimum of two years working experience for the faculty in teaching the P.G. course in the college after obtaining Ph.D. having at least two research articles in journals having science citation index/journals having impact factor given by Thomson Reuters/UGC listed journals.
- i) Failure to ensure the recognized research guide's stay in the college for a period of three years from the date of admission of the candidates into research, the college has to pay a minimum penal fee of Rs.1 lakh for each scholar admitted.
- j) If the teacher is retired or leaves the Institution the research student may be transferred to any other eligible guide or to any other research centre recognized by University. For any reason, if that is not possible the teacher may have to suggest any person from any of the recognized research institutes.
- k) In case of admission in affiliated colleges recognized as research centers of University, there shall be a co-guide from the concerned academic department of the constituent college of University or PG center of University.

3.3 Process of recognizing research centres

The process of awarding recognition will be initiated on receipt of application from the Institute in a prescribed proforma. Recognition to these institutions will be approved by the

Academic Senate based on the recommendations of a committee appointed by the Vice-Chancellor to examine the infrastructure and other facilities. These institutions will be required to bear the cost of inspection. Institutions thus recognized as research centers shall pay a recognition fee as prescribed by the University from time-to-time.

In case of institutions of national and international eminence, the Academic Senate may recognize them as research centers for offering Ph.D. programmes based on the information provided by the institutions and the recommendations of the Committee constituted by the Vice-Chancellor for examining the infrastructure and other facilities.

4. Admission Procedure – M.Phil./Ph.D.

The degree of Master of Philosophy (M.Phil.) is the first research degree and the study will provide the necessary advanced training in research methodology and recent developments in a subject. There will be direct admission into PhD Course or else PhD can be pursued after completing M.Phil.

4.1 Eligibility

M.Phil./Ph.D. can be pursued by candidates possessing the minimum qualifications as specified below either on Full-Time (FT) / Part-Time (PT) basis in the Faculties of Science, Arts, Humanities, Social Sciences, Fine Arts, Education, Physical Education, Commerce and Management Studies, Engineering, Science, Law and Pharmaceutical Sciences. Admissions into M.Phil./Ph.D. programme will be made within the framework of reservation rules in force prescribed by the Government of Andhra Pradesh from time to time.

4.1.1 Full-Time (FT)

- (a). Candidates for admission to M.Phil./Ph.D. programme shall have a Master's degree or a professional degree declared equivalent to the Master's degree by the corresponding statutory regulatory body, with at least 55% marks in aggregate or its equivalent grade 'B' in the UGC 7-point scale (or an equivalent grade in a point scale wherever grading system is followed) or an equivalent degree from a foreign educational Institution accredited by an Assessment and Accreditation Agency which is approved, recognized or authorized by an authority, established or incorporated under a law in its home country or any other statutory authority in that country for the purpose of assessing, accrediting or assuring quality and standards of educational institutions.
- (b). A relaxation of 5% of marks, from 55% to 50%, or an equivalent relaxation of grade, may be allowed for those belonging to SC/ST/OBC (non-creamy layer)/Differently-abled and other categories of candidates as per the decision of the University Grants Commission from time to time, or for those who had obtained their Master's degree prior to 19th September, 1991. The eligibility marks of 55% (or an equivalent grade in a point scale wherever grading system is followed) and the relaxation of 5% to the categories mentioned above are permissible based only on the qualifying marks without including the grace mark procedures.

4.1.2 Part-Time (PT)

Candidate satisfying the eligibility conditions noted under 4.1.1 above can be admitted as Part-time candidate through, entrance test, as per the following order of priority. Admission into Part-time category will be made on the basis of service seniority in the respective categories.

1. Regular Faculty working in the University or the P.G. Centers.
2. (a) Faculty working in Post graduate and Professional colleges having completed atleast two years of service. This provision is not applicable to Faculty teaching Physics, Chemistry, Mathematics and Humanities in professional colleges.
or
- (b) Faculty/Librarians/Asst. Librarians working in affiliated degree /PG colleges and Faculty teaching Physics, Chemistry, Mathematics and Humanities in professional colleges having completed atleast two years of service.
or
- (c) Faculty working in Polytechnic/Government or private aided Junior Colleges having completed at least four years of service. Seniority for candidates under each category shall be calculated with the following weightage.
 - (i) Teaching at P.G. level / Professional - five points for each completed year of service in colleges as specified in 2(a)
 - (ii) Teaching at graduate level/Professional - two points for each completed year of service in colleges as specified in 2(b).
 - (iii) Teaching at Polytechnic/ junior college - one point for every completed year of service as specified in 2(c).
3. Technical employees working in research institutes having completed atleast five years of service.

4.1.3 Extra-Mural Research (EMR Extramural)

- a. For admission into Ph.D. programme under Extra-mural category, there should be an Internal Guide recognized by the University in the recognized research institution where the candidate is working. In addition to the Internal Guide, a faculty member eligible to guide research from within the concerned Department of University or its PG Centers has to be included as an External Guide.
- b. Registration of a candidate under extramural category shall be done once in a year, i.e., in July every year.
- c. Eligibility for admission under Extramural category shall be as follows :
 - i. Scientists or technical Officers working in a research institution recognized by University with a P.G. or equivalent degree satisfying the eligibility conditions noted under 1.1.1 and having put in two years of experience (Ph.D. Part Time).

Or
 - ii. Research Scholars with P.G. or equivalent degree satisfying the eligibility conditions noted under 1.1.1 having a fellowship awarded by a duly constituted selection committee approved by University and attached to institutions recognized as Research Centers by University and having completed at least six months with scholarship tenable for a further period of two years (Ph.D. Full Time).

4.1.4 Conversion from Full-Time to Part-Time and Vice-Versa

- (a) Candidates pursuing full-time Ph.D. programme may be permitted to convert into part-time Ph.D. programme provided they satisfy the eligibility conditions for part-time notwithstanding the length of service. However, the candidate has to pay the prescribed fee for such conversion. This conversion of full time to part time will be permitted only if one gets a job (Academic/Scientific). Full Time to Part Time conversion is allowed only after 9 months of registration and with the permission of the Guide(s), DRC approval and with the permission of the Principal.
- (b) Conversion from Part-time to full-time is not allowed, except in case of candidates joining under Faculty Development Programme or getting a National /State Government/State Government undertaking body Fellowship.

4.2 Procedure for admission

- a. Universities shall admit M.Phil./Ph.D. students through a Common Entrance Test conducted at the State level on behalf of the Universities concerned.
- b. The Universities shall decide on an annual basis through their academic bodies a predetermined and manageable number of M.Phil. and/or Ph.D. scholars to be admitted depending on the number of available Research Supervisors and other academic and physical facilities available, keeping in mind the norms regarding the scholar- teacher ratio, laboratory, library and such other facilities;
- c. The Universities shall notify well in advance in the institutional website, the number of seats for admission, subject/discipline-wise distribution of available seats, criteria for admission and procedure for admission and all other relevant information for the benefit of the candidates. The same shall be communicated to the Convener for Common Research Entrance Test. In turn the Convener has to notify through advertisement in atleast two national news papers of which one shall be regional language. The advertisement shall contain the information with respect to number of seats for admission, subject/discipline wise, distribution of available seats, criteria for admission, procedure for admission, examination centres and all other related information for the benefit of the Candidates.
- d. Admissions to the Foreign nationals will be as per the UGC guidelines.
- e. Scientists having minimum of 10 years regular service/ Candidates having JRF/any national fellowships working at national laboratories are eligible for extramural research admissions without entrance test.

4.2.1 Entrance Test

Universities shall admit candidates by a two stage process, i.e., entrance test and interview.

4.2.1.1 Scheme of the Entrance Test

An Entrance test shall be conducted for 180 marks. The Entrance Test consists of two parts, i.e., Part-A and Part-B. Part-A shall be the Teaching and Research Aptitude for 90 marks,

whereas Part-B shall be the subject specific for 90 marks. There will be 1/6 negative mark for each wrong answer.

4.2.1.2 Syllabus of the Entrance Test

Part-A shall be the Teaching and Research Aptitude on the lines of UGC NET Paper-I Syllabus. For Paper-II, Syllabus shall be Paper II of the UGC NET for the subjects for which UGC is conducting NET; CSIR-NET Syllabus for Sciences; GATE Syllabus for Engineering; and GPAT Syllabus for Pharmacy. For the other subjects, University shall prepare the syllabus.

4.2.1.3 Qualifying marks in the Entrance Test

An Entrance Test shall be conducted with qualifying marks as 50% for open category candidates and 45% for OBC/SC/ST/PH categories.

4.2.1.4 Interview

Qualified Candidates in the Entrance Test will be called for interview/viva-voce by the concerned University Department where the candidates are required to discuss their research interest/area through a presentation before a duly constituted Committee. Interview is for 20 marks.

Interview Committee shall consist of three members; Head of the Department, Chairman, Board of Studies and one Senior Faculty member from the Department nominated by the Vice-Chancellor.

The interview shall also consider the following aspects, viz. whether:

- the candidate possesses the competence for the proposed research;
- the research work can be suitably undertaken at the Institution/College;
- the proposed area of research can contribute to new/additional knowledge.

4.2.1.5 Ranks/Final Marks

Admissions Committee will give ranks/final marks awarded out of 200 after clubbing the marks of entrance test (180 marks) and interview marks (20 marks).

4.3 Admission without Entrance Test

- a) M.Phil./Ph.D. Admissions shall be given without Entrance Test for those students who qualify UGC-NET/UGC-CSIR NET JRF/teacher fellowship holder/National fellowship holder twice in a year, i.e., in January and in July of the calendar year.
- b) Faculty Development Programme - Regular Faculty working in University affiliated colleges/ University local area colleges and institutions intending to pursue M.Phil./Ph.D. programme under FDP or other similar programmes would be required to get their nominations processed by the concerned agencies and join in respective colleges and departments either in the month of January or July in a calendar year.

4.4 Allocation of Research Supervisor

1. The registration of a candidate can be done either at university department or any Institution recognized by the university as a centre of research.

2. The allocation of Research Supervisor for a selected research scholar shall be decided by the Departmental Research Committee (DRC) concerned depending on the number of scholars per Research Supervisor, the available specialization among the Supervisors and research interests of the scholars as indicated by them at the time of interview/viva voce.
3. In case of topics which are of inter-disciplinary nature where the Department concerned feels that the expertise in the Department has to be supplemented from outside, the Department may appoint a Research Supervisor from the Department itself, who shall be known as the Research Supervisor, and a Co-Supervisor from outside the Department/Faculty/College/Institution on such terms and conditions as may be specified and agreed upon by the consenting Institutions/Colleges.
4. The Number of Research Scholars to be allotted to each teacher is as follows:

- i) Grades and Grade Point Details (with effect from 2009-10 admitted batches)

S.No.	Range of Marks %	Grade	Grade Points	
01	>90 ≤100	O	10	Out Standing
02	>80 ≤90	A+	9	Excellent
03	>70 ≤80	A	8	Very Good
04	>60 ≤70	B+	7	Good
05	>55 ≤60	B	6	Above Average
06	≥50 ≤55	C	5	Average
07	≥40 < 50	D	4	Pass
08	<40	F	0	Fail
09			0	AB (Absent)

Terms used and their explanation:

Credit Point: It is the product of grade point and number of credits for a course.

Credit: A unit by which the course work is measured. It determines the number of hours of instructions required per week. One credit is equivalent to one hour of teaching (lecture or tutorial) or two hours of Practical work/ field work per week.

Grade Point: It is a numerical weight allotted to each letter grade on a 10- point scale.

Letter Grade: It is an index of the performance of students in a said course. Grades are denoted by letters O, A+, A, B+, B, C, D and F.

- iv) Calculation of SGPA (Semester Grade Point Average) & CGPA (Cumulative Grade Point Average):

For example, if a student gets the grades in one semester A+,A+,A,A,A,B in six subjects having credits 2(S1), 4(S2), 4(S3), 4(S4), 4(S5), 2(S6), respectively. The SGPA is calculated as follows:

$$\text{SGPA} = \frac{\{9(A+)\times 2(S1)+9(A+)\times 4(S2)+8(A)\times 4(S3)+8(A)\times 4(S4)+8(A)\times 4(S5)+6(B)\times 2(S6)\}}{\{2(S1)+4(S2)+4(S3)+4(S4)+4(S5)+2(S6)\}} = \frac{162}{20} = 8.10$$

- h) A student securing 'F' grade thereby securing 0.0 grade points has to appear and secure at least 'E' grade at the subsequent examination(s) in that subject.
- i) If a student gets the grades in another semester B, A+, A, B+, A+, C, A+, in seven subjects having credits 4(S1), 2(S2), 4(S3), 2(S4), 4(S5), 4(S6), 2(S7) respectively,

$$\text{SGPA} = \frac{\{6(B)\times 4(S1)+9(A+)\times 2(S2)+8(A)\times 4(S3)+7(B+)\times 2(S4)+9(A+)\times 4(S5)+5(C)\times 4(S6)+9(A+)\times 2(S7)\}}{\{4(S1)+2(S2)+4(S3)+2(S4)+4(S5)+4(S6)+2(S7)\}} = \frac{162}{22} = 7.36$$

$$\text{CGPA} = \frac{(9\times 2+9\times 4+8\times 4+8\times 4+6\times 2+6\times 4+9\times 2+8\times 4+7\times 2+9\times 4+5\times 4+9\times 2)}{(20+22)} = \frac{324}{42} = 7.71$$

BA candidate has to secure a minimum of 5.0 SGPA for a pass in each semester in case of all PG and Professional Courses. Further, a candidate will be permitted to choose any paper(s) to appear for improvement in case the candidate fails to secure the minimum prescribed SGPA/CGPA to enable the candidate to pass at the end of any semester examination.

C There will be no indication of pass/fail in the marks statement against each individual paper.

D A candidate will be declared to have passed if a candidate secures 5.0 CGPA for all PG and Professional Courses.

E The Classification of successful candidates is based on CGPA as follows:

- (i) Distinction –CGPA 7.0 or more;
- (ii) First Class –CGPA 6.0 or more but less than 7.0
- (iii) Second Class –CGPA 5.0 or more but less than 6.0
- (iv) Pass –CGPA 4.0 or more but less than 5.0

F Improving CGPA for betterment of class will be continued as per the rules in vogue.

f) CGPA will be calculated from II Semester onwards up to the final semester. CGPA multiplied by gives "10" aggregate percentage of marks obtained by a candidate.
